Guess I'm always in stealth mode. I don't really wear any MAGA gear or have a flag with me.

Spent my \$600 gubmint check on supporting the patriots in DC tomorrow. Hopefully it funded others to be able to go, and be there in my place. I didn't ask for that fking check and don't need it, fake money that the gubmint prints like Monopoly money, backed by nothing other than more gubmint debt. Glad to be able to put it to good use.

Yes because it's so easy to dox the back of people's head that are wearing masks and hats, retard

How are you gonna dox someone wearing a mask and hat, especially if you're taking the pic facing the front of the plane, dipshit?

Yeah I'm an obvious glowie because I want to see photos of planes full of trump supporters.

Fuck off

Lol do you not remember when those people involved in the fraud were wearing masks and still got identified? Why do you have such a hard on to see these people that everyone has to include a pic? There are plenty of posts with pics and videos. Go glow somewhere else

The person you replied to knows this, and received several replies in a thread the other day. Zhe even had the same response "Sorry for wanting to see airplanes full of trump supporters."

Fuck you with your glowie shit faggot.

Sorry for wanting to see airplanes full of trump supporters.

My parents were tortured and ran on foot from a communist country only for faggots like you to call me a glowie because I want to feel the excitement in photos. How are you gonna ID people with a photo of the back of their head with masks and hats on?

Those people had close ups of their faces and were easily identifiable. Whose gonna go after millions of trump supporters 1 at a time because of a picture of the back of their head???

Don't fucking worry, they'll come for us whether there are pictures or not.

Calm your ass down with your gay ass accusations.

GTFO with your doxxing shit - you were doing this in other threads the other day as well. Seat position and flight number and a person can be doxxed. Did you forget Deep State has people with access to that information?

If you want to see planes filled with Trump supporters, then do your part and book a flight and join the other Pedes.

If you're worried about a seat number you're too stupid to realize they already have everything they need on you as you type it into your fucking phone.

And sorry but not everyone can make it, let me just leave my wife at home sick by herself with a 11 month old baby.

Don't be a Dipshit

1. You've made several assumptions which don't apply.
2. Your personal situation and desires don't warrant jeopardizing someone else's security.

Thank you so much.

Nothing glowie about wanting to experience and enjoy this myself!!!

Some damn pictures aren't gonna dox us.

Our internet history and comment history etc will.

Anyone worried about pictures is too stupid to understand we already lost all our privacy and they had a had everything they needed on us for a long time already.

Unless you live in the woods with no data transmitting electronics.
